I do not have a clear understanding of the issue. If I am not doing something correct in RCMS I will remedy the problem immediately. I am available to talk on the phone with either of you to find out what I am doing wrong and I will correct the issue or do whatever it takes to get it right.

**Leroy:**

**This appears correct.**

**I have a comment about the adjustments. The service dates for these seem to be way back. If they can't give you receipts at the time they make the purchase then why should I be paying for them. This is crap that you don't get the receipts immediately (that day or the next). I will not pay for any more if they are not recent receipts provided and posted to the 1900-55. There needs to be a formal explanation if I don't get them within 3 days of the purchase.**

**Thanks**
